Product notification: Transfer of sales support from Cook Medical to NexSIS Biosciences

Dear valued customer:

Effective January 1, 2024, Cook Medical is transferring sales support of Biodesign® Dural Graft products to NexSIS Biosciences LLC.

We know these products are important to you and your patients. The NexSIS Biosciences team and I are committed to maintaining the same high level of sales support that you have come to appreciate from Cook Medical.

No changes are being made to the supply chain or manufacturing methods for the Biodesign Dural Graft products. Orders will still be placed and filled through Cook. All order and part numbers will remain the same.

Please see the list of available products below.

Product name	Order number	Reference part number (RPN)
Biodesign Dural Graft	G31092	C-DUR-7X20
	G31091	C-DUR-7X10
	G31090	C-DUR-4X7
	G32437	C-DUR-2X3

If you have questions about this transition, please don't hesitate to reach out to me directly. You can also contact NexSIS Customer Support at scart@nexsisbio.com or 904-422-8798. You can also contact Cook Biotech Product Support at biodesign@cookbiotech.com.

We greatly appreciate your business, and I look forward to being part of the team that supports you and your patients moving forward.
